

2025 SEMCME Research Forum

Abstract requirements

GME

The 47th Annual SEMCME Research Forum will be held on Thursday, **May 22, 2025** at the Somerset Inn in Troy, MI.

As a SEMCME member institution, WSUGME can nominate up to **4** abstracts (1 slide presentation, up to 3 posters) for the Research Forum. Rather than submitting an abstract to SEMCME, applicants should ***first send an abstract*** as a Word document to GME, who will review all submissions and select up to **4**. GME will then inform those residents whose abstracts were selected in sufficient time for them to make SEMCME's deadline in early May.

Abstracts for the Research Forum should be sent to ci3238@wayne.edu by Monday, March 24, 2025

Research Forum abstract requirements: Maximum 1 page, including all text, graphs and charts, using a minimum 10-point type size and 1-inch margins. Title should appear at the top, in all caps, bold type. Underline the name of the presenter, and include all co-authors and their affiliations. List sponsoring faculty last with an asterisk after the name(s). Use the typical Introduction/ Methods & Design/Results/Discussion & Conclusion structure for the body of the abstract.
